PRESIDENT'S MESSAGE

Greetings Friends of Woodstock School!

An enthusiastic thank you to all who support FWS and Woodstock School through your time commitments and generous donations. We are pleased to grant Woodstock financial aid in support of educational programs. You have contributed over $807,334 this past period, and we continue to be overwhelmed by your generous financial support. It is because of you that we have been able to grant assistance to several Woodstock students through Endowed Scholarships and the Scholars for Peace Program. We are encouraged by the quality of students recommended by the Admissions Office and know that their experience at Woodstock will be meaningful for them, and that they will contribute to the thriving Woodstock community and beyond. We have also been able to grant support to Woodstock for staff development and to Kaplani School.

The biggest project for the past few years has been the renovation of Parker Hall. The October 2025 re-opening celebration highlighted a beautiful space that encourages belonging and connectedness. I was privileged to be at this event and was highly impressed with student performances and the excitement and enthusiasm of all who were involved. I am grateful to each of you for your support in making this project happen. Your support for this endeaver clearly showed how vital Parker Hall is to alumni and to all friends of Woodstock School to continue to provide a safe place for students, staff, and faculty to gather together.

Speaking of gathering together, the FWS annual reunions continue to be quite lively. They seem to be the perfect place to tell stories, laugh, and genuinely enjoy each other's company across generations. Our last reunion in Madison, Wisconsin (2026), was a great success. I came away feeling extremely honored to be a part of the Woodstock Community. Please consider joining us for the next FWS Reunion at Asilomar Conference Center and State Park, June 4-7, 2027. Asilomar is located on the spectacular Monterey Peninsula near Pacific Grove, California. The reunion committee is already brainstorming about themes and programming.

Thank you to Interim Principal, Mark Windsor for leading Woodstock this past year, for his work on the FWS Board, and for his participation in the Madison 2026 Reunion. We wish all the best to him and his wife Annie McGregor and thank them for their commitment to the school. We offer a warm welcome to new Principal, Dr. Blair Lee, his wife Kim and Interim Vice Principal, Greta Keltz. We are privileged to have a good working relationship with Woodstock Administration and look forward to working with Dr. Lee and Ms. Keltz. A big thanks, also, to Aditya and Sanchali in the Woodstock Alumni office for staying connected with our office and giving us suggestions for how we can best reach you. I also want to thank David Shastry for his tireless work as Board President this past number of years. His energy and enthusiasm was contagious and as a result sparked a lot of brainstorming of wonderful ideas!

We have two celebrations on the horizon: Hanifl Centre's 25th in 2028 and Woodstock's 175th Celebration in 2029! Looking forward, in addition to projects that may be forthcoming from the Woodstock School Board, our focus will be on scholarships, and faculty/staff development.

Finally, it is the desire of FWS to continue to maintain a good working relationship with the Woodstock School Board and to continue to support the Board's strategic goals.

FWS is committed to you, its' members. We would enjoy hearing from you. Feel free to contact David Wheeler or Connie Wheeler in our head office or any Board member if you have any questions at all. We want to hear your suggestions and ideas as to how FWS can improve as an organization and how we can better interact with you. Let us know how you would like to be involved in FWS!

TREASURER'S REPORT

It is my privilege to present the Treasurer's Report for Friends of Woodstock School, covering the two year period from July 1, 2024, through June 30, 2026. Historically, we have presented this report one year at a time. This year, we decided a two year view covering July 1, 2024, through June 30, 2026, would provide a much more useful report and a more up-to-date financial picture of our foundation. Taking over the treasurer role has been a smooth transition and I want to thank Steve Van Rooy for his six years of steady financial stewardship. I also want to express my deepest gratitude to David and Connie Wheeler for their tireless support of FWS. They have been incredibly helpful and they are the reason why our operations run so smoothly.

Over the past two years, we faced a turbulent macroeconomic environment defined by a prolonged period of high interest rates, shifting global trade dynamics, and global wars causing significant market volatility. Our portfolio is structured for resiliency to navigate these exact conditions. We manage our portfolio across three distinct categories: Risk Mitigating, Diversifying, and Return Seeking. This structure helps us diversify between equities and bonds, as well as balance our exposure across the United States, developed nations, and developing nations. By utilizing this approach, our portfolio took full advantage of the higher rate environment and insulated us against broader geopolitical shocks.

The portfolio generated a healthy return of approximately 10 percent annually. Over the two year period, the portfolio gained roughly $1.2 million overall. These returns allowed us to comfortably outpace inflation and protect our corpus. But investment returns are only half the equation. For an endowment of our size, a sustainable withdrawal rate is typically 4 to 5 percent per year. Our recent distributions vastly exceeded that standard target. Over the last two years, FWS distributed about $1.7 million to Woodstock. The reason our total net assets remained stable, closing the period at $6.3 million, is the direct result of your generosity. We received $807k in contributions over these two years. Without this ongoing support, our total assets would have experienced a significant decline. We simply would not have been able to distribute $1.7 million to the school without drawing down our principal. The depth of this community's support never ceases to inspire. We recently learned about two donors who made very generous gifts adding up to close to $150k. It is exactly these types of donations that touch us, amaze us, and help us impact Woodstock in meaningful ways.

Our distribution over the last two years included roughly $1.28 million for the Parker Hall renovation and roughly $250k in scholarships that supported 14 students. This scholarship program is far from a transactional line item on our balance sheet. It comes entirely from the heart, supporting students, impacting lives, and ensuring that a Woodstock education remains accessible.

Our portfolio is positioned to generate steady, inflation adjusted growth, but maintaining the size of the endowment while making outsized distributions requires continuous donor participation. Your sustained giving bridges the gap between what the markets can responsibly yield and the funding Woodstock requires. Thank you for your continued financial support and your commitment to the school.

Message from the Friends of Woodstock School Foundation Office

We can never thank you enough for your collaboration with FWS on behalf of Woodstock as the School continues to evoke memories, evolve, and amaze us. You hear from us through individual emails, large MailChimp email blasts, Facebook posts, and ever-present Zoom meetings for our Board of Directors and Planning Committee members.

The Annual Meetings and Reunions in 2025 and 2026

In 2025, we met at the Lake Junaluska Resort and Conference Center, outside of Asheville, North Carolina and the theme was *Getting to Know You!* The Center's beautiful Lambuth Inn was our lodging and central gathering place.

Our programs included:

- *From the Hilltop* with Woodstock staff members
- *The Well-Traveled Alumni Series* with Max Marble '67
- *All About AI* presented by Anita Luthra '79
- Story-telling focused on *Building and Reshaping our Lives*

Our friendly check-in and welcome table hosts were Jim Rugh '60 and Carol Rugh Green '60. The Bazaar included a "last chance" purchase table, Woodstock items, and Carolyn and Dewy Wetherby's popular Global Avenues Goods. James Hackney '79 brought his recipes and Khana chef expertise – a delicious meal!

The stone Memorial Chapel gave us a perfect Interfaith Service location. Bill Tammeus '63 led the service, Carmina Jenks, former Woodstock staff directed the choir, and Robert Bonham '59 accompanied on piano. Max Marble's moving In Memoriam concluded the service. Robert Bonham and Trillium Trio's wonderful performance rounded out the afternoon and was magical in this beautiful chapel. Sunday's late afternoon Lake Junaluska Boat Tour was a nice chance to be on the water.

Message from the Friends of Woodstock School Foundation Office (cont.)

In 2026, we were at the Fluno Conference Center – University of Wisconsin in Madison, Wisconsin. and our theme was *Music, Health, and Healing*.

The presentations:

- *From the Hilltop*
  with Mark Windsor,
  Acting Woodstock Principal
- *Healthy Life Choices for Longevity*
  presented by Dr. John Whitcomb '69
- *Music, Medicine, and the Effects of Music and Sound on the Body*
  led by Dr. Robert Bonham '59
  and Dr. Suzanne Jonas
- *Exercise and Meditation for Longevity*
  with Patricia Whitcomb Green '72
- *Music and Dementia*
  was presented by Professor Stefan Fiol, son of Stephen Fiol '63
- Professor Fiol also led
  Singing, Drumming and Dancing

We had time to enjoy this lovely city, tour the beautiful state capitol with Gil Halsted '72, and take walks along the lake shore. The Interfaith Service, this year led by Rev. Dr. Jackson Day '59, Carmina Jenks, former Woodstock staff with her original musical arrangements and expert choir direction accompanied by Robert Bonham '59, and the In Memoriam from Max Marble '67 always make Sundays special. Fluno Center had well-appointed rooms, wonderful conference center staff, and delicious meals including Khana. Patricia Whitcomb Green '72 designed and arranged all of the beautiful settings, and Mary Feierabend Girard '76 hosted our lively Bazaar.

And in 2027? Planning is underway, led by Darlene Silliman '80, for the Annual Meeting and Reunion at Asilomar Conference Center and State Park on California's beautiful Monterey Bay Peninsula. The dates: June 4 – 7, 2027. Watch the FWS website and your email for reunion updates. A spectacular setting with so much more to come! The programs will reflect this theme, Our Changing World.

Year after year, our planning committees bring the reunions together through their volunteer time, ideas, and preparations. Their efforts make the reunions come to life for you to enjoy!

FWS Office
and Program Administration

And for David Wheeler and Connie Wheeler year after year, the scope of this annual report, appeal letters, thank you letters, holiday cards, program preparations, board meeting preparations, and all the ways that connect you to us and to Woodstock remain a steady part of what we do at the office.

Connie manages FWS communications, the website's content updates, database management, MailChimp software email blasts, FWS Facebook, board meeting materials, annual reports, reunions and gatherings assistance and associated materials, and any sort of outreach to help stay in touch with you.
